# COOLNESS AND CLEARNESS WITH ATMOSPHERE.

Clear lines dominate the overall design scheme.

Bene's AL conference table - both functional and elegant.

*»It's amazing how the simplest of things can make a difference: We would like to compliment the way Al Muhalhel and Bene worked together to deliver top quality products and complete the project within the agreed timeframe.«*

## Kuwait Privatization Holding Co.

**Company** Kuwait privatization project Holding Co. provides financial, administrative and technical consulting services for investors.

**Briefing** Al Muhalhel's qualified team carried out the space planning and design of this prestigious project. Whilst carrying through a consistent design language the hierarchy of the organisation is clearly reflected in the choice of furniture: Bene's high-end P2 programme was chosen for the executive offices whilst offices of the management team have been furnished with the more value-engineered T5 desks. T-Platform desks with RV screens have been used in the back office area as well as T-Meeting tables.

**Furnished zones and areas** Executive offices (Chairman, CEO and Management team) and PA's desks, back offices, cellular offices and meeting room
